

First, I would like to thank Joanne Westervelt (Hospitality Coordinator), Marge MacDougal and Susan Katz (usher coordinators) for their help this season. I am pleased to say that we have added almost twenty new volunteers as ushers, hospitality volunteers and house managers. Thank you everyone. At the beginning of the season we talked about the cost of refreshments and our idea to possibly not offer complimentary refreshments at intermission. Members, patrons and subscribers responded overwhelmingly to say that we should continue the hospitality service. It was suggested that we put a jar out for donations and you have generously responded allowing us to cover the costs of refreshments. In fact, many have made large donations. Thank you for your input and support. A problem was solved by working together. Again, thank you to all of our volunteers without whose dedication we would not be able to operate.

Respectfully submitted,
